

President's Report 2020 AGM 28th March 2021

Dear Members,

It has been an extremely challenging time since the August AGM, not just for the sub-Branch, but for our community as a whole.

I am very pleased with the way the sub-Branch has been able to continue to operate of the period given all of the Covid-19 restrictions.

We were even able conducted a couple of commemorative ceremonies, such as VP Day and Remembrance Day.

I wish to thank all the volunteers who have given up their time to assist with making wellbeing calls to our members and also to those members who assisted in making sure the commemorative services ran as smoothly and successfully as they did.

At all times we have being mindful of our members' wellbeing and we have continued to work through Service NSW to ensure we are complying with the most up-to-date health guidelines.

There is no doubt that we have been presented with a number of challenges over the recent months. But having said this we have still been able to achieve some positive outcomes for the sub-Branch and the community and with your continued ongoing support we will continue to do this into the future.

Brian Cartwright,

President
